“ This one hurts.
Bud and I go back all the way through childhood. St. Mary's, High School, etc., etc.
In the years since, I would see him around town working for the city and then in
church whe he took over from his father as an usher.
Now R.I.P. old friend.
You made this world a better place.
I'll light a candle for you after Mass this weekend.
And your memory will go on!
