“ I first met Peggy when I began attending First Assembly in the 1970's. I had volunteered to help in VBS that summer, and Peggy was aware I had a 2 month old baby as well as a 1and 1/2 year old child. She introduced herself and said she would be passing by the area where I lived on her way to help in VBS, and would be glad to provide a ride for us each day so I wouldn't have to handle travel with 2 babies alone. She not only picked us up, but arrived a little early each day to help me get my children ready to go. It made my task a lot easier and also laid the foundation for a friendship that lasts forever!

We often found ourselves working on similar church functions together over the years, shared laughs and prayers, and she could be counted upon to always encourage, help, smile, and pray us through every project. It was truly a privilege to be her friend! Peggy, you will certainly be missed, but I am so glad you are with the Lord in the perfect place, in a body with no imperfections forever! I look forward to joining you someday. Thank you, Lord, for putting Peggy in my life!
