“ *I knew Ronnie all of my life. He was friends with my family way before I was born. When I was a young preteen he let me help build his house. I wasn't much real help but he liked having me there. Ronnie was always cheerful and was a really nice guy. I haven't seen him or his family for a long time, I guess that's how things are these days. I know he will be missed.
Love you Ronnie, Joe Taylor*

*To the Davis Family I am sorry for your loss. I know what it is to grieve for your loved ones. Carol I dont whether you remember me ir or not I worked with you at Burger King eons ago. I would see your mother at the store sometimes and she would tell me how everyone is doing. I knew your Dad was ill, but I didnt think it would be this soon. He was a gentle soul who is now in God's hands.
You have each other and you will get through this.*
