

Susan Ann Risley

February 12, 1946 - December 24, 2017

Susan Ann (Fuller) Risley, age 71 of Millville, passed away peacefully, surrounded by her loving family, on Sunday, December 24, 2017, after an extended illness.

Born and raised in Millville to the late Richard and Mildred (Meredith) Fuller, Susan was a lifelong resident.

She graduated from Vineland High School, Class of 1963, then immediately became a legal secretary and started working in Millville for Judge Wodlinger, until he retired. She then worked as a Executive Secretary and later had her own craft business. She finished her work career working for Judge Kemble Salvo.

Susan met her husband, Ron, in 1966 and they were married in 1970. Susan and Ron shared over 47 years of marriage together.

She attended the First Assembly of God in Millville.

She had an excellent eye for details, and greatly enjoyed crafting, gardening, working around the house, and was an expert floral arranger. Perhaps the most fascinating interest of Susan's was her expert woodworking skills. Her meticulous attention to detail enabled her to construct intricate wainscoting and all types of other intricate woodworking projects that beautified her home and those of many other family members as well.

Most of all, however, Susan treasured the time that she was able to share with her family for many years.

Susan will be sadly missed by her husband, Ronald Risley; one daughter, Connie Livingston and husband, David of Millville; one son, John Risley of Bridgeton; one brother, Richard Fuller and wife, Elaine of Texas; one sister Becki Orr of Vineland; and two grandchildren, Stephanie and Paige Risley. She was predeceased by one brother, Charles Fuller.

Funeral Services for Susan were private. Arrangements are under the direction of the Christy Funeral Home, Millville.

Memories and expressions of sympathy may be shared on the Obituary Tribute Wall at www.christyfuneralservice.com.

Comments

“ I met Sue approximately 45 years ago when she and I worked together at Lakeview. She wasn't just a colleague but a friend. I visited her beautiful home in Millville and was baptized at 1st Assembly Church thanks to Sue. Sue visited me in 1979 accompanied with a gift shortly after my husband and I brought our newborn baby home. Although I haven't seen her since I left the area in 1980 it's still heartbreaking knowing she's gone. Be blessed, Ronnie.

“ To Ron and family. So sorry to hear about the passing of Sue. She was definitely a sweet person. It was a pleasure working with her at Parents flower shop. I will always remember the daily runs to McDonald's to get her cheeseburg and coffee. And then later on with you Ron at Harron Cable. Will always remember the good times we all had together, especially the Annual Christmas party's we had every year where all our families came together as one big family. Definitely was some of the best times of our life's. May Sue rest in peace now. God has another angel in heaven. God bless the family..

“ Sue was a steady customer of mine at Montgomery Ward on High street who was a very pretty woman and as mentally sharp as she was pretty and I had a lot of respect for her because of her sharpness. She was a very nice woman and all of the employees enjoyed her visits to the store. Over the years I always thought of Sue when I drove down Wheaton Ave. past the Risley home and wondered how she was doing.

You did good Sue. God rest your soul.
